Harassment, Intimidation, and Bullying

E-School Virtual Charter Academy specifically prohibits harassment, intimidation, and bullying of or by any student on school grounds, in school vehicles, at school-sponsored activities, or at school sanctioned events. "Harassment, intimidation, and bullying" means any gesture, written or verbal expression, or physical act that a reasonable person should know will harm another student, damage another student's property, place another student in reasonable fear of harm to that student's person, or damage to the student's property, or insult or demean any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of any student. "Harassment, intimidation, and bullying" include, but are not limited to, gestures or written, electronic, verbal, or physical acts.

Harassment, intimidation and bullying through electronic communication are likewise prohibited. "electronic communication" is defined as the communication of any written, verbal, or pictorial information by means of an electronic device, including, but not limited to, a telephone, a cellular telephone or other wireless telecommunication device, or a computer. A specific electronic communication does not need to originate at a school or with school equipment to be included under this policy if it is specifically directed at students or school personnel and contains harassment, intimidation or bullying.

Student behavior which is serious enough to be considered assault or relates to weapons, and which can be classified as "harassment, intimidation, and bullying," will be dealt with as outlined in the Alcohol, Tobacco, Drug, Assault Behavior, and Weapons Policy. Otherwise, bullying behavior will be dealt with as directed by the E-School Virtual Charter Academy Administration.

Copies of this policy will be made available upon request to parents, students or other interested parties.
